Balangoda, Rathnapura - 70100, Sri Lanka

ABOUT ME

I am flexible and experienced software engineering undergraduate who have excellent time management and graphic designing skills who seeking opportunity in software engineering. I am an introvert with proven interpersonal skills and capable of working in teams and solitude. I am skilled in quick learning and passionately curious in crafting new ideas into reality. I can work under any circumstance dealing with problems in a resourceful manner. I am a motivated individual who has the ability to adapt to any situation and is always enthusiastic about absorbing new things and taking on any challenges.
